

GROWING TO SERVE YOU BETTER!

Mircom Systèmes Intégrés™
Offers You More **Service**, More **Stock** and More **Convenience**.

Mircom brings a new look, a new mandate and, effective June 22, a new warehouse and office facility to support your business!

Our new “Systèmes Intégrés” business name highlights our unique capabilities to provide a complete package of Fire Alarm, Communications and Security for any multi-unit residential, commercial, institutional or industrial project. From system design/support, integrated system packages, verification and commissioning to after-sale parts and service, Mircom Systèmes Intégrés stands ready to support your success better than any other source!
